EDUCATION

Govt Delhi College

Intermediate in Pre-Engineering
(2021-2022)

University of Karachi (KU)

Bachelor of Science in Computer Science
(BSCS)
(2022-2026)

PROJECTS

Let's Chat Application

Let's Chat is a real-time messaging app built with the MERN stack, featuring Socket.io for instant communication, styled with Tailwind CSS and DaisyUI for a clean and user-friendly design.

DailyPress Website

Developed DailyPress, a React.js website providing news across categories like sports and entertainment, using API data integration.

E-Commerce Website

Built an e-commerce platform for Men, Women, and Kids fashion. It offers a user-friendly interface for easy browsing and an admin panel for efficient product management and browsing.

EXPERIENCE

E-commerce Executive at **Caliber Pakistan** (2024-25)
