Hashir Shakeel

## SKILLS SUMMARY

REACT JS  85%

NODE JS  75%

HTML CSS JS  85%

## EDUCATION

### Govt Delhi College

Intermediate in Pre-Engineering  
(2021-2022)

### University of Karachi (KU)

Bachelor of Science in Computer Science  
(BSCS)  
(2022-2026)

## EXPERIENCE

### Personal Portfolio Website

Explore my portfolio showcasing my projects and expertise in MERN stack development. Built with Reactjs and Bootstrap for a responsive and dynamic user experience

### DailyPress Website

Developed DailyPress, a Reactjs website providing news across categories like sports and entertainment, using API data integration.

### Facebook Clone

Built a Facebook clone using React and Tailwind CSS, replicating core social media features with a modern, responsive design
